Dear Steven,

This note is to Thank You for assisting the Boylston Cub Scout Pack 103 celebrate the 75th Year Anniversary of Cub Scouting at our Blue & Gold banquet this month.

Your magic show and workshop was truly enjoyed by all in attendance. The excitement and passion you apply towards your craft held our large group of children with (LoL) laughter, smiles and happiness. You helped make our special event even more special with your entertainment. The 'spreading of magic' with the take home package was a hit for all ages !!

Also Steve, as a Parent volunteer committee member, I especially appreciated your professionalism, follow up and fair cost you offered up. Please feel free to contact myself for future references if need.

Thanks and Best Regards,

David Rice
