Dear Steve,

I'm not sure even where to begin in thanking you. Your efforts were tremendous and it showed.

The success of the event went far above anything I could have expected. Most commented on has been the professional quality of the entertainment, the wonderful choice of types of acts and the duration for which they performed. Everyone in town is raving and the accolades go mostly to you.

Based on the tremendous success of this our first ever children's festival, 1994 now looks definite. I look forward to working with you again.

Please extend my thanks and appreciation to Darcy and Cindy. Rumor has it they painted the faces of most every child in New England. I hope they have fingers left.

If there is anything that either I or the Tennis Hall of Fame can do for you, please do not hesitate to ask.

Once again, thank you.

Sincerely,

Colleen K. Hopkins
