Hi Steven-

Once again, thank you so much for a wonderful show. The kids and the adults all loved it! I know we have some perfect pictures when the kids were awed and amazed by your humor and tricks!) Also, thank you for buying me some extra time before the pizza showed up. I'm sure you will be getting some calls from this show for future bookings. Brett told me that this was a perfect day. Thanks for making me look like a great parent to my kid...

Thanks again-
